As I have advised already and tony appears to have looked mike kelly has advised that as the matter involves both policy and inter departmental issues the letter should be addressed to the minister . I see no reason to ignore this advice .

Shara, I have reviewed Malcolm Tuttle's letter to the office of racing and approve of its immediate transmission to Mike Kelly as the appropriate person to whom all correspondence on racing matters should be addressed.

Dear all

Please find **attached** a draft letter to Mr Mike Kelly of the Office of Racing in relation to the Product and Program Agreement.

I advise that this draft is for your consideration and review.

Please advise of any amendments by **COB, Wednesday, 22 July 2009.**

In addition, please find **attached** an opinion by Cooper Grace Ward (November 18, 2008) that deals with, amongst other things, whether UNITAB is entitled to deduct a Third Party Charge from the product fee payable to Product Co.

I look forward to your reply.

Kind Regards

Shara
