Mr. Mike Kolly
Executive Director
Office of Racing
Locked Bag 180
CITY EAST QLD 4002

Dear Mike,

Re: Proposed Integrated Control Body

I wish to advise that the Greyhounds Queensland Board of Directors supports in principle the formation of one control body to govern the racing industry in Queensland provided there are adequate safeguards in place for the minor codes, appropriate employment guarantees are agreed covering all existing control body staff and that the present business plans for greyhounds can still be implemented.

The Board is prepared to work with the government and the other two codes in forming the new entity.

Yours faithfully
